EDUCATION HISTORY

M .A Public School

Matriculation
2000-2022
Shahrah Faisal ,Karachi

Degree Collage Block 13

Intermediate
2022-2024
Gulisten-e-Johar ,Karachi

WORK EXPERIENCE

Web Developer

FIVER JULY 2024 - OCT 2024

- 1.Freelancing as a web developer means independently designing, building, and improving websites for various clients.
- 2.It involves core skills like HTML, CSS, and JavaScript, with tools like Git for version control, and frameworks like React or Angular. Familiarity with design tools such as Adobe XD can also be helpful for creating user-friendly and responsive websites tailored to clients' needs.
